Find The Magic In You!

MICHAEL
THE MAGICIAN

This program is designed to help students realize that although each of us may be unique on the outside, we all feel the same on the inside and have the same basic need for acceptance and respect. The end goal of every performance is to encourage and inspire students to create a safe and happy school environment. Through interesting and cutting edge magic, Michael presents a funny, fast paced, interactive and entertaining program that will also educate on the growing issue of bullying and teach them how to find the HERO inside of them.

Subjects covered are:

- What is a Bully?
- Am I a Bully?
- How can I stop / prevent bullying?
- Damages caused from bullying.
- And much more...

A live bird also makes a magical appearance, which certainly captivates the children! Furthermore, Michael is sure to incorporate many volunteers into his show having them truly experience the fun and magic for themselves!

It's **education meets entertainment!** Everything is provided, including a sound system, backdrop, microphones and of course - the magic!

**"MICHAEL IS A VERY POLISHED PERFORMER,
MY FAMILY AND I WERE TOTALLY MESMERIZED
AND WELL ENTERTAINED TOO!"**
