Re: Testimonial for Michael Bourada

To whom it may concern,

The Canadian Wood Council booked a 50 minute magical/comedy performance by Michael Bourada for our 2014 office Christmas party. The booking process was seamless and I appreciated that Michael was easy to reach and promptly followed-up with my initial inquiry. Michael was both accommodating and a pleasure to work with.

The performance was spectacular! Michael has a unique talent and amazing stage presence that instantly captures his audience. His blend of magic and comedy was impressive and everyone at the party continued to talk about his performance long after it was over.

I would recommend Michael Bourada without hesitation or any social event.

Yours truly,
