

To whom it may concern,

It is with great pleasure that I write this letter of recommendation for Michael Bourada. Michael is a truly amazing magician who not only excels on the stage with his live performances but also excels off the stage as a professional business person and humanitarian.

As the owner of the largest entertainment service in Ottawa, I first met Michael several years ago when I was looking for a compelling magician who would provide my VIP client with a memorable experience. Michael surpassed my expectations. He had all the qualities that were important to me in an entertainer. He was punctual and personable and his show was creative and unique. His performances have gone over so well that our clients keep coming back to Quality Entertainment to book our magician.

Further, when I asked Michael to assist with a fundraiser for my daughter's elementary school when they were trying to raise money to replace a long overdue play structure, he jumped at the chance to help out. He gave the school two shows that are still talked about today – even after my daughter has moved on to high school.

I wouldn't hesitate to recommend or book Michael Bourada for any function. He is great for adult only shows or performances where there are families. He is the entertainer that never disappoints. Booking him is easy. He always gets back to me quickly and I never have to remind him about a contract. I wish all entertainers were more like Michael.

For whatever the reason you are looking to book Michael Bourada, he is the person you can trust to deliver "quality" magic. If you have any questions, please do not hesitate to contact me at any time.
